No Permit For Factory

Altona Council has refused an application by Mr. S. A. Hem, McIntosh Road, Altona North, to use the Red Robin Factory, in Pier Street, for a marine sales and service centre.

Mr. Hem told council he proposed to install a steel canopy at the front of the building extending almost the full length of the building, and ending about 2 ft. 6 in. from the footpath line. The canopy would cover three fuel pumps.

He said he also planned to add 1200 sq. ft. of steel decked service area and a brick veneer caretaker's residence.

The Building Surveyor told council the proposed use was permitted under the Melbourne and Metropolitan Planning Scheme, but he felt there should be no roof section permitted closer than 20 ft. from the building frontage.

He said also that the fuel pumps should be located at the rear or side of building, with a service road around the entire building.

Mr. Hem will be invited to attend the next meeting of the council's General Purposes Committee to submit revised plans for further discussion.

Extensions Granted

Altona Council has accepted explanations tendered in answer to a circular it sent to owners of properties which have not been connected to the sewer in areas where sewerage is available.

A by-law requires connection to the sewer within six months of it becoming available.

Applications for an extension were granted.

TREES FOR FACTORY

The Board of Works has made tree planting a condition of a building permit issued to Slough Estates for the construction of a factory in Slough Road.

A clause of the permit specified that: "A screen of trees and shrubs shall be planted and maintained on the southern boundary of the land to the satisfaction of the council."

"This means we've got our own way," said the Town Clerk, Mr. J. W. Waters.

The Mayor, Cr. P. A. Burns, told council Slough Estates planned to build a large factory, which would be divided into four separate factory units.

He said the factories would be ready for leasing in August.

To Apply For Funds

Altona Council will apply to the Municipal Assistance Fund for subsidies of \$2000 towards the cost of hockey grounds and work on the W. L. J. Crofts Reserve.

Active Community Worker Dies

The whole Altona community mourns the death on May 1 after a short illness of Mrs. Honora Rachael (Bub) McIntyre.

Mrs. McIntyre will be long remembered in Altona for her active association with all people and particularly to organisations devoted to helping those in need. Some of her benefactions are known, most were known only to her and to those she helped.

Apart from her interest in local council activities and her church, Mrs. McIntyre put in the forefront her work for the Melbourne Ladies' Welfare Society.

Her first interest in this body came from her mother, the late Mrs. David Grieve, who was a committee member.

Mrs. McIntyre joined the committee in 1958 and for the past 2½ years had been president. As a very active worker for the Society she was the district visitor in Altona for a number of years.

She was known and well liked for her pleasant and agreeable personality and her interest in Altona life.

Mrs. McIntyre was a member of an earlier Altona Hospital Ladies' Auxiliary and in recent years was a member of the Hospital Board of Management.

She was a member of the Altona MU Chapter of Beta Sigma Phi, Koorringal Golf Club, the Altona Working Men's Club Associates, a foundation member of the Altona Ladies' Bowling Club and a patron of the Altona Life Saving Club.

Father J. A. Nooney, Pastor Emeritus of St. Mary's, said Mrs. McIntyre was a tremendous worker for the parish. She was a wonderful benefactor and he had only to mention that someone needed help and she would immediately call on them. He said for her it was not only talk, she was a woman of action.

Mrs. McIntyre was a member of the pioneer Grieve family which farmed a property north of Kororoit Creek Road for a number of years. Grieve Parade was named after her father and her sister, the late Mrs. Catherine McIntyre, was Altona's first and only woman councillor. The two sisters married brothers.

Requiem Mass was celebrated at St. Mary's Church on Tuesday. The church was filled to capacity and the congregation of relatives and friends included many who had been helped by her and many from various groups with whom she had worked for the benefit of others.

A memorable feature was the singing of pupils of St. Mary's school and Mount St. Joseph Girls' College.

After the service the funeral route along Railway Street to Pier Street was lined by pupils from both these schools.

The interment was at the Williams-town Cemetery.

Mrs. McIntyre is survived by her husband, Don, and her son, John.

Council Grant A.P.C. More Time

A notice served by Altona City Council on the Altona Petrochemical Company requiring the firm to lessen within 14 days offensive odours and excessive noise believed to come from the plant has been extended for a further period of 14 days.

Originally the term of the notice was from April 16-30. But after consideration at a special council meeting last night of a report by the Chief Health Inspector, Mr. John Mellors, and a letter from the company the time was extended.

The whole question will again be deliberated by council at a meeting on May 19 at which it is expected another detailed report on nuisances during the next two weeks will be submitted by the chief health inspector and a further company report will be received.

Less Pollution

In answer to a question from Cr. Les Crofts, Mr. Mellors told councillors last night that in the five days since the end of the period of the notice (April 30) there had been a marked improvement in pollution offences except for one day, yesterday, May 5, when an offensive odour could be detected in the Charles Road/Brook Drive area. Three complaints were received making a total of seven for the past two weeks.

The Mayor, Cr. Pat Burns, asked if the complaints were substantiated.

Mr. Mellors said that Tuesday's complaints had not been fully investigated as he had not been able to contact the people concerned and on three other incidents of suspected odour from APC he had no comment.

Inspection had shown certain works have been carried out and works are being done which the company states will improve atmospheric effluent discharge and water effluent discharge, reported Mr. Mellors.

Cr. Harry Weaver asked for reasons for the odour on Tuesday — was it influenced by wind or low cloud or was the build-up saved up for four days and released on the fifth?

Mr. Mellors suggested build-up or conducive wind conditions may have been a cause but Cr. Doug Grant pointed out that on Mr. Mellors' inspection on Monday night there was no sign of the pollution.

APC is a large company and 14 days is not adequate for the tidying up of machinery in a plant of this size, commented Cr. Pat Lynch.

He said the material before council showed improvement in the past week and he moved the company be granted 14 days grace and that full and up to date reports be presented to council in two weeks time.

At the request of Cr. Grant, he agreed to add to the motion that the chief health inspector and health inspector continue daily surveys as have been undertaken in the past five days.

Cr. Crofts seconded the motion which was carried unanimously.

Company program

In a letter from the general manager of APC, Mr. O. R. Smith, council was informed that the company has an engineer who spends full time co-ordinating the firm's en-

vironmental improvement program. He has access to and calls on the resources of the total company as required and right now 40 other people — engineers, technicians and tradesmen — are working on the program.

The company's planned noise survey within a few months by acoustic consultants has been brought forward and is now under way.

Consultants are being held with the Clean Air Division for their comments and suggestions.

The services of an ecology expert from the Esso Research Engineering Company has been requested for four to five weeks to enable him to review the company's complete program.

Mr. Smith said that all recommendations made by these consultants will be quickly and carefully reviewed and those which will result in an improved program will be carried out.

Total cost of the planned program, which ranges from tightening up leaks to the installation of major new equipment, is at present \$240,000. Thirteen of 29 projects have been completed and the remainder are well under way.

The size and scope of the work cannot be completed in two weeks, said Mr. Smith, and he requested additional time to finish the projects.

Malfunction unavoidable

But in conclusion Mr. Smith said he felt he must make one point absolutely clear.

He said "No methods have yet been devised by which a plant such as ours can be rendered completely noiseless, odourless, smokeless, without effluents and still remain in operation.

"Despite every precaution and constant alertness, unexpected upsets and malfunctions will occur. We can guarantee only to keep these down to the absolute minimum."

City benefits

And Mr. Smith commented that "APC and the other six companies of the petrochemical complex provide many benefits to the City of Altona. The total capital investment is now \$92 million and the value of gross annual production exceeds \$70 million.

"There are about 1200 people employed in the complex, 38 per cent of whom are residents of Altona.

"The \$2,000,000 paid to these residents supports many local businesses, as do the goods and services purchased by the companies. Revenue accrued from rates constitutes a substantial portion of the city's income.

"It is hoped that both the City of Altona and the Complex will continue to grow and prosper in the spirit of mutual co-operation and friendliness that has marked our association to date."

LIBRARIAN WANTS TO INCREASE MEMBERSHIP

Miss Cynthia Paltridge, Altona's city librarian, has asked to meet the council's General Purposes Committee to discuss ways of increasing the number of borrowers at the Altona East branch.

Miss Paltridge said the cost of operating the library service last year was \$60,219 — or \$2.16 per head, based on a recent census of the population of 27,800.

She suggested that Altona should try to make an arrangement with Williams-town City Council, whereby Williams-town would pay Altona so Williams-town ratepayers near the Altona East Library could have the same services as Altona ratepayers.

"The councils could probably agree that for up to 100 borrowers, Williams-town might pay \$500, then a lower proportional rate if there is 1000 borrowers, and lower still if there is

1500 borrowers" the librarian said.

She said this would be an incentive for people in the area to use the library. At present Williams-town people must pay \$5 a year to borrow books from the Altona library.

The greater part of the Newport area lies within a one mile radius of the branch library.

The librarian pointed out that an increase in borrowing from the branch library would probably lead to an increase in library staff, but she said this would make it possible for two people to be on duty at all times in the base library, leading to greater security and safety.

Local Boxer In Victorian Team

Angelo Vassiliadis, a boxer with the Altona Youth Club group, has been selected in the Victorian Schoolboys' team to compete in Sydney during the May holidays.

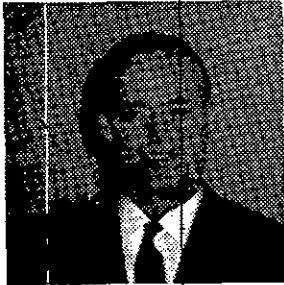

The team was announced this week by the Victorian Amateur Boxing Association.

It is the first schoolboys' team sponsored by the Association.

Angelo has had eight bouts with only two losses in the lightweight class.

Last month he won the final of the Junior Lightweight Schoolboys' Championship with a technical knockout decision against Graeme Sullivan of Langwarrin.

New Position For Town Clerk

Altona Town Clerk, Mr. James W. Waters, has been appointed President of the Metropolitan Institute of Town Clerks.

The group comprises the 45 Councils in the recently enlarged metropolitan area.

Mr. Waters, who has been a member of the Victorian Divisional Council for some years and its President for two years which expired on April 7, is also Federal President until next October.

In this latter capacity he will be chairing the first national seminar sponsored by the Institute in Canberra on May 20-22, to give an address on the conference theme, "Local Government in the Expanding Community" and welcome His Excellency the Governor-General who will officially launch the three-day seminar.

Meantime, Mr. Waters will attend the Tasmanian Divisional Conference in Hobart on May 11 and speak on the subject, "The Image of Local Government—Look Ahead."

Word Gets Around About Free Fuel

The word about Altona Council's fuel gifts to pensioners seems to be getting around quite well — and there have been 391 applications so far this year, compared with a total of 482 last year.

Town Clerk, Mr. J. W. Waters told council last week he had received a delightful letter from one old lady, asking that a ton of firewood be delivered to her home — in Reservoir.

The gifts, of course, are available only to Altona residents.

Mr. Waters said deliveries by the council's two contractors were proceeding satisfactorily.

Closing dates for applications from pensioners are: fuel such as firewood, briquettes or kerosene, August 31; an allowance towards gas, July 31; an allowance for electricity or fuel oil, June 30.

Marching Girls

During the past three months the Altona Marching Girls have held some very successful functions. Three cake stalls were held at Borrack Square, a picture night and a progressive tea for the children. Thanks must go to all who have given their time and effort in arranging these functions.

Over Easter the Marching Girls were hosts to a team of Midgits — Lutana Flairs from Hobart, Tasmania. Eleven girls — Sally Willisroft, Penny Ewell, Tania Henley, Susan White, Christine Stalker, Debra Goss, Tonya Horton, Terina Knight, Vicki Goss, Christine Street, Dall Brinsmead and Wendy Williams were accompanied by their Chaperone Mrs. P. Carhart, Asst. Chaperone Mrs. J. Walsh and Instructress Miss Teresa McRenna.

The team arrived on Thursday afternoon and departed on Tuesday afternoon. During their stay the girls visited the You Yangs, Geelong, Anackie, Ballarat, Luna Park, the Museum, Botanical Gardens, the Zoo and on Tuesday spent the morning shopping in the City.

All the girls had an enjoyable stay and have made plans to come back again soon. The Altona Marching Girls are to visit Tasmania during the September School Holidays and they will be billeted by the Tasmanian Team.

On April 17, Christine Saunders celebrated her

CHILD MINDING CENTRE PLANNED

A man has approached Altona City Council seeking approval in principle of a plan to establish a child minding centre near either the Altona railway station or the civic offices.

The town clerk, Mr. J. W. Waters, told council the man planned to build his home in Altona and hoped to incorporate a child minding centre on the property. He said the man proposed to operate the centre from 8 a.m. until after 5 p.m. each day to enable working parents to leave their children at the centre.

"The gentleman and his wife are aware of child minding regulations, with which they are prepared to comply," he said.

He added that the man had not yet purchased any land in the city, but was awaiting council approval.

"All the council can decide at this stage is that it can't give its approval in principle," Mr. Waters said. "The man should take an option on land, then seek council's approval in principle."

"The building would have to comply with Uniform Building Regulations and the Child Minding Regulations, which are policed by the Health Department and for which plans would have to be approved and then authority given for the place to operate," Mr. Waters said.

"It would seem appropriate for the council to resolve that subject to the formal application being made, no objection will be offered, but the council would require complete compliance with statutory requirements, and the building and ancillary works, including play equipment, to be kept at least 20 feet back from the street alignment."

"It would appear, if the council were to endeavour to conduct a child minding centre to accommodate 50 children, it would be faced with a capital outlay of \$50,000, which would require land almost three building lots in size. The staff would have to be qualified and would include a matron. Comparing operating costs of other municipalities, it would appear that the weekly charge for a five day minding centre, with hours from 7.30 a.m. to 5.30 p.m. would cost a parent \$12 per week per child. A government subsidy of approximately \$4 per week could be paid and the council and the parent would have to foot the balance of \$8. The council of course has been faced with the initial capital expenditure and the maintenance of the building."

"It is interesting to note that if the present trend continues regarding child population of kindergarten age in the vicinity of the first Altona kindergarten at 89 Blyth Street then it may be appropriate for that kindergarten to be changed over to a child minding centre but that would undoubtedly be in a few years time."

Cr. P. J. Lynch said he felt it was up to the man to find his block of land then present to council his plans for perusal and approval.

"I'm sure we could give them full consideration," he said.

The matter was adjourned until more details were presented to council.

birthday and we wish her a very happy day.

The Annual Meeting of the Altona Marching Girls will be held at Mrs. E. Wilson's, 47 Clarendon Parade, West Footscray on Thursday, May 28 at 8.00 p.m.

Pool Plan To Estimates

CR D. K. GRANT has asked that Altona council's 1970-71 estimates meeting consider providing \$100,000 towards the cost of a swimming pool.

The city engineer, Mr. R. C. Simmons, has been asked to report on a number of matters referred to estimates during the year. The items include —

Street lighting along the sea wall adjacent to Fleming's Pool; sealing the footpath leading to the steps in the sea wall adjacent to Fleming's Pool; provision of shelters along the foreshore; provision of facilities and rubbish bins along the beach in the vicinity of the Board of Works drain.

Pumps To Cut Pollution

ALTONA council will seek talks with the Board of Works chief engineer to discuss a plan to pump the two major drainage outlets from the present point of discharge further into the bay.

Council believes this would remove the danger of pollution from the foreshore.

A motion by Cr. D. K. Grant that \$20,000 be placed on the 1970-71 estimates for the pumping lapsed for want of a second.

Successful Street Stall

The Altona Spastic Aid Committee would like to thank all those who supported their recent street stall in Pier Street. More than \$90 was raised.

This year will be a critical year for spastics and a considerable amount of money will need to be raised for the work to continue. Any donation or goods that can be sold at a street stall are needed.

The next meeting will be held on May 12 in "The Homestead", Queen Street, Altona at 1.30 p.m. New members will be very welcome. Information can be obtained by phoning the Secretary, 398-1138.

Rotary Club

Last week's Rotary speaker dealt with the all important subject of postal and telephone communication. Guest speaker, Mr. Knott of the Postal Service, had a lot of facts to tell of Australia's advancement in this field.

He told how far the Post Office has advanced since the days when the posted letter, the 16 word telegram and the telephone conversation via an exchange, were the only facilities available.

Now we have S.T.D. trunk dialling where a telephone user can dial directly almost anywhere, an increasing use of Telex where messages are sent without the medium of long distance telephone calls. Date service where digital data for computers are transmitted over telephone or telegraph lines, the microwave east-west telecommunications link and the unique communication system developed for the far North West.

Street Stall

The Altona Presbyterian Ladies Guild are holding a street stall in Pier Street on Saturday, May 9.

Council Booklet On City's History

Cr. H. Weaver has asked Altona Council to produce 200 copies of a booklet on the city's history for public relations purposes.

The booklet, prepared by the Altona Historical Society, will be produced on the council's photocopying machine at a cost of about \$20.

The Society asked council to produce a number of 16-page booklets, but Cr. R. K. Richards said the application should first go before the Altona Arts Council for consideration.

"Last year the Society asked the cultural people for \$400 to produce a city guide," said Cr. Weaver. "They were told the Arts Council couldn't see its way clear to give the money immediately."

"I feel this is more a public relations effort than a history."

The Town Clerk, Mr. J. W. Waters, agreed with him.

"I'm more concerned about the cost," said Cr. Richards. "I would like further discussion to come before the Arts Council."

The Town Clerk told Cr. Weaver that finance for the booklet could be taken from the council's public relations allocation.

Tenders

Altona Council has accepted tenders of \$14,456 for a crawler tractor, and \$13,041 for a dozer from J. I. Case (Aust.) Pty. Ltd.

Land For Reserve

Altona Council will sign and seal the transfer of land agreement for the W. L. J. Crofts Reserve.

The Town Clerk, Mr. J. W. Waters, said \$59,142.50 had been paid to R. J. Gilbertson Pty. Ltd. for the land.

Vandals At Youth Hall

Altona Council's General Purposes Committee will discuss reports of vandalism at the Altona North Youth Hall.

Mr. A. T. Evans, of Millers Road, Altona North, new secretary of the hall's committee of management, told council last week that the windows in the rooms adjoining the hall were prime targets for vandals. He recommended that wire screens be placed over the glass.

Mr. Evans said other office-bearers appointed were: Mr. F. Kays, President; Mr. S. Murrell, Treasurer; Mr. O. Stumbras, Central Altona Football Club representative.

Street Stalls

Altona Council has approved the following applications to hold street stalls:

St. Luke's vestry, in Bor-rack Square on May 8; Altona Infant Welfare and Pre-School Centre, in Pier Street, on June 6; St. Eanswythe's Ladies' Guild, in Pier Street on September 5 and December 19; Highland and National Dancers' Association, in Pier Street on October 10.

Clean Air Meeting

Cr. D. K. Grant and J. I. Stewart will attend the next meeting of the Clean Air Society of Australia and New Zealand at the National Science Centre on May 12.

Mr. John J. Bayly, guest speaker, will discuss the topic "Planning Industry for a Better Environment".

EDITORIAL

OUR NORTHERN BOUNDARY

The "Welcome to Altona" sign in Millers Road is in the wrong position. It always has been but the coming of the Lower Yarra Freeway makes essential a reconsideration of the notice.

Whatever reservations one can have over its present wording, some form of sign may be desirable on our northern boundary.

In its present position "Welcome to Altona" virtually disowns a fair number of Altona residents. The situation of the sign and the overpass generally coincides that their complete association will be accepted. A traveller to Altona and also many Altonians will believe they enter Altona under the overpass in the presence of this sign.

The residents of Primula Avenue and the nearby courts will be inclined to feel that they have been overlooked and overpassed.

It is true that the actual boundary is designated by a small sign in Millers Road, but this, unless sought for, is likely to remain unnoticed.

The residents of the courts abutting the freeway have not been forgotten by Altona Council. Their streets have been renamed, but more than this is necessary to assure these worthy citizens of Altona that they are, in appearance as well as in fact, part of Altona.

If a sign in Millers Road is really necessary, there is only one place for it — on the boundary of Sunshine and Altona.

More Toilets

The Kobukan Judo School, Upton Street, Altona, has been informed it must provide additional toilets for both sexes before council will consider issuing a permit to conduct a school.

Changes At Dental Clinic

The Dental Superintendent, Dr. W. T. Smith, informed Altona Council last week there would be a different dental officer visiting the Altona Pre-School Clinic on Wednesday.

The clinic will be staffed by Mrs. Jago on Mondays and Mrs. S. Seward on Wednesday.

Queen's Birthday Celebrations

Altona Council will co-operate with the British Commonwealth Day Movement on the celebrations of the Queen's Birthday holiday, June 15.

Reserve Lease

Altona Council has agreed to sign and seal a lease giving Altona City Football Club the use of Grant Reserve ovals and pavilions for a further three seasons.

OPERATION BEACH CLEAN

Mr. J. Byrne, Miss A. Shanahan, Miss H. Harley and Miss J. Cattnach represented the Altona Life Saving Club at the function held in the Civic Hall on Tuesday, April 28, to wind up the Operation Beach Clean campaign for season 1969/70.

Mr. Byrne reported that the function was very well attended, about 180 being present.

Cr. R. K. Richards who holds the portfolio for Local and Cultural Organisations, introduced His Worship the Mayor, Cr. P. A. Burns, who welcomed everyone present and thanked all those who had participated in Operation Beach Clean.

Their efforts were responsible for keeping accidents caused by broken glass to a very low figure.

Seaweed was quite a different problem and this was being investigated by expert authorities.

Cr. Burns said he hoped everyone who had participated this year would give the same assistance next year. Congratulations to the winners of the President's Shield for 1969-70, 3rd Altona Scout Group.

Also to winners of the individual awards:

Senior Male: Mr. R. Tyrell, 1st Altona Scouts.

Junior Male: B. Granon, Altona Branch St. John's Ambulance.

Senior Female: Miss H. Harley, Altona Life Saving Club.

Junior Female: Miss A. Shanahan, Altona Life Saving Club.

Winners of the Shield were awarded \$60 and other organisations participating were awarded \$40 each, based on a minimum of 50 man hours.

Best average man hours: Altona North St. John Ambulance.

FIRST AID CASES

Mr. G. Shanahan, First Aid Officer of the Life Saving Club, reported that cases treated during the season totalled 32.

Only five cuts were caused by glass but four of these required stitches and were sent to the doctor.

The other casualties were caused by shells, rocks, splinters from the pier, jelly fish stings, chest abrasions from mussels on the pier piles and a couple of sunburn cases.

"The low figures were due mainly to the rather poor swimming weather which was responsible for much smaller crowds on the beach than in previous years, but also to the vigilance of the life savers and other participants in Operation Beach Clean," said Mr. Shanahan.

PRESENTATION NIGHT

Tickets for the Annual Presentation Night and Dance on Saturday, May 23, are now available from the Secretary or Chief Instructor at 50c each. A good band has been engaged and a very good buffet supper is assured.

DONATION

A donation for the purchase of trophies has been received from Cr. and Mrs. H. Weaver.

Young Wives To Visit Hostel

St. Eanswythe's Young Wives Group will hold their monthly meeting on Tuesday, May 12 by beginning with a visit to the Altona Migrant Hostel where members will distribute information sheets to newcomers to the district.

The information sheets have been prepared by the Group to supply a guide to local facilities such as schools, medical services, local government services, churches, etc. After discussion with former and current residents of the Hostel the Group found that such information is not readily available. Members are asked to meet at the main gate of the Hostel at 7.45 p.m.

The evening will conclude at the home of Margaret Wylie, 29 The Strand, Williamstown where she will show slides of her recent trip to New Zealand. Anyone requiring transport may ring Marge Duckett (398-1220) or Elaine Grainger (398-2834).

Members are asked to note that the Games night scheduled for May has been transferred to the July meeting.

Meeting

A committee meeting of the Altona Methodist Football Club will be held in the Church Hall, Seves Street, on Thursday, May 7 at 7.30 p.m.

MARRIED AT ST. MARY'S

Mr. Chris Kyritsis and his bride Roylene Findlay were married twice on April 25 at St. Mary's Catholic Church, Altona, followed by a ceremony at the Greek Orthodox Church in Footscray.

The bride is the eldest daughter of Mr. and Mrs. R. Findlay of Delmont Avenue, Altona.

She wore a gown of lace with silk organza train and her full length wedding veil was the one worn by her mother at her wedding.

Bridesmaids were the bride's sister, Lee, and Nora Berris and flowergirl was her cousin Annmarie Findlay. Her young brother, Kelvin was pageboy. The girls wore frocks of ming blue shantung and carried blue and white roses.

The groom who is the eldest son of Mr. and Mrs. G. Kyritsis of Footscray was attended by his brother John and Jim North.

The bride's mother wore a lemon ensemble and lemon accessories and the groom's mother wore black accessories with her green frock.

The reception was held at the Altona Youth Club hall.

On their honeymoon the couple are cruising down the Hawkesbury River in N.S.W.

Engagement GOODWIN—WATERS

Mr. and Mrs. A. Goodwin, 172 Melbourne Avenue, Glenroy, together with Mr. and Mrs. J. W. Waters, 24 Seaview Crescent, Seaholme, happily announce the engagement of Esmee and Robert.

Visit Of Pastor Betts

Pastor W. Betts, well known for his work at the Fitzroy Methodist Mission, and founder of the People's Church, Kew will visit Altona on Sunday and speak at the West Altona Gospel Mission, 45 Somers Parade, at 11 a.m.

Brownies Want Wool

Brownies of the 1st Seaholme pack want to make knitted rugs for the Berry Street Babies Home but are short of wool.

It would be appreciated if any person with wool to spare would phone 398-1304 and a pick-up will be arranged.

The Brownies will be visiting the home next Saturday and again before Christmas when they hope to take a supply of rugs with them.

13th Birthday

The Country Women's Association, Altona Branch, will celebrate their 13th birthday on Monday, May 11 at the Methodist Church Hall, Seves Street, Altona, at 10.30 a.m. Members are reminded to bring a plate of food and cutlery, also something for the market stall.

ALTONA ROTARACT

Another successful meeting was held at the Altona High School on Friday evening under the direction of Rotarian Dr. John Leyden.

The election of offices resulted as follows: President, Ain Utt; Vice President, Christine Hitchcock; Secretary, Elizabeth Szatkowski; Assistant Secretary, Sue Baker; Treasurer, Maurice Critchley; Directors, Barrie Critchley, Alan Newton, Eddie Szatkowski, David Shanahan.

Rotarian President Reg Higgins was guest speaker for the evening. His subject, illustrated with color slides, was on a recent trip to Thailand. The address was interesting, but question time brought out much interesting data — such as the woman's place in the home in Japan and Thailand, the effects of "Fab" on their methods of washing, life on and along the rivers, etc.

The next meeting will be a dinner on Friday, May 15, at 7 p.m.

The guest speaker on this occasion will be Mr. Graham Critchley, President of Port Phillip Toast Masters Club.

Trots Night

An evening at the trots will be held on Saturday, June 13th in aid of the Altona City Football Club.

Tickets \$10 double — entrance, 3 course meal and drinks included. Tickets can be obtained from N. Drew (secretary), 20 Fresno St., Altona or A. Thompson, 6 Grieve Highway, Altona.

Drama Group Busy Rehearsing

The Altona Drama Group continue rehearsing for "Wild Goose Chase" including Sunday evenings now that production time is near.

Because of the large cast it has been difficult to get all members together at the same time. However, the enthusiasm of all those involved has helped to make the rehearsals go reasonably smoothly. The cast will include some of the more mature members and a number of new comers.

Tickets (adults 70c and children 35c) will be available at the door on the evenings of each performance, May 18, 19 and 20 at 8.15 p.m.

Life Saving Awards

Altona councillors have accepted an invitation to attend Altona Life Saving Club's annual presentation of trophies on May 23.

THANKS

The Ladies' Committee of Altona West Kindergarten, Somers Pde., thanked Altona Council last week for completing the footpath outside the kindergarten.

"This is of great benefit to both mothers and children, and will be much safer for all concerned," the committee told council.

Val's Column

Hello Girls,

Firstly pass this across to the family. Have you a gift hidden away for Mother for Sunday? Toilet or roller bag, shampoo spray, hair spray cover, a purse, perfume, spray or her favourite perfume. Perhaps a talc and soap to match, jewellery, a watch, a ring. Has she a mascara or the newest soft lilac eye shadow?

Mums love skin care products, but know if her skin is normal, oily or dry. Maybe there are dry cheeks but shiny nose, forehead and chin. We can help her here, too.

Has she a wig? Yes — what about a wig brush or wig head.

How about a camera. Turn Mum into a shutter-bug. Homy-Ped sandals to care for her feet. Let us show you gifts just for her.

Continuing with our talk on Cyclax products. It is very important that we cleanse away thoroughly the days makeup to let the skin breathe, to cleanse the pores of unbedded grime.

It is just as important not to unbalance the oil moisture. This is the feeling we get when the skin is uncomfortable.

Needless to say, a fine skin needs milder treatment and milder preparations than oily types.

Extra Cleansing Balm mildly dissolves the grime. Extra Cleansing Lotion liquifies away the makeup quickly.

Extra Cleansing Cream soothingly melts away the heaviest makeup, is gentle to the tautest skin. Never massage in cleansers. Tissue the excess off. To tone and refresh now, to refine the texture, to remove final traces of makeup. Flower Balm has beautiful, cooling, cucumber juice. Pat this on with cotton wool; feel it tingle.

Skin Tonic is slightly stronger, marvellous for that combination skin. Then if your skin is very oily Complexion Milk will give you a refreshing feeling. Tighten and dry your skin.

Lastly at night we nourish or moisturise. We all can Purify, a dry skin is better for a once a week treatment. Oily skins rid of impurities twice a week, a problem skin more often. Look closely in that mirror. Any problems to remove from your skin? Tell you how next week.

Bye.

BUSY YEAR FOR KINDER

The Annual Meeting of the Altona North Kindergarten in Blackshaws Road was chaired by the Mayor, Cr. P. Burns, who was accompanied by Mrs. Burns, Mrs. Finn, Director, was also in attendance.

Activities held during the year included a Glass-Blowing Demonstration, a Baby Show, a Casserole Evening, and the Annual Fete, which raised \$450.00. As a result over \$1,925.00 has passed through the bank account, a great tribute to the Committee and Ladies Auxiliary.

With such a successful year, the Mother's Club has been able to provide an "Adventure Fort" for the children, costing \$350.00 — this being unique in the Western Suburbs. New dolls furniture also has been provided.

Approximately two hundred members of the Victorian Pre-Schools Conference held recently inspected the Kindergarten, and many favourable comments were heard. Mrs. Finn stated in her Annual Report "I feel we have made our name among the good Kindergartens of the State." Also in her report, she outlined the activities of the children throughout the year, and stated that 4 excursions had been made, one being a visit to the Royal Melbourne Show to the animal nursery.

New office-bearers were elected as follows - Mrs. Donnar (President); Mrs. Anthony (Vice-President); Mrs. Mrs. Brown (Secretary); Mrs. Speak (Asst. Sec.) and Mrs. Trusler (Treasurer). Retiring office-bearers Mrs. Judd, Carr and Martin were thanked for their help during their term of office, and Mrs. Finn recommended that Mrs. Judd and Mrs. Martin be made Life Members.

Post Office Site Bought

The Department of the Interior will pay Altona Council \$6250 for land adjoining the post office site in Duke Street, Altona North.

The council will use the money to purchase land in Cresser Street as a place for future welfare services — probably an Elderly Citizens' Centre.

PERMIT FOR APOSTOLIC CHURCH

Altona Council has decided to allow the Apostolic Church of Melbourne to build a church on land in Second Avenue, despite one objection to a land use permit being issued.

A deputation from the church met the council's General Purposes Committee to discuss the church, estimated to cost \$28,000.

The council was told the congregation would be made up mainly of local residents. The deputation told council that, while the church retained the right to hold night services, it was prepared to restrict its time to 9.30 p.m. It said the church building would be sound proofed.

The plan submitted to council provides 12 car park spaces — more than required under the Town Plan.

WORKING MEN'S CLUB

SUPPER DANCE

Tickets at \$5.00 double for the Chicken and Champagne Supper Dance on Friday, May 15, are selling rapidly. Members and guests are advised to pay for all tickets by this weekend and certainly not later than Wednesday, May 13, to enable completion of catering arrangements.

SMORGASBOARD

A smorgasboard organised by the Associates section will be held on Sunday, May 31, from 6 p.m. to 10 p.m. Tickets at \$2.00 each can be obtained from members of the Associates Committee.

SOUTH GIPPSLAND BOWLS VISITORS

All members interested in indoor bowling activities are reminded of the visit by the South Gippsland Indoor Bowls Association on Saturday, May 16, when matches will be played between metropolitan teams and the visitors.

Dance patrons please note there will not be a dance on Saturday evening, May 16.

OUTDOOR BOWLS ANNUAL MEETING

The outdoor bowlers first annual meeting for all male members will be held on Sunday, May 17, at 4 p.m. to receive the annual report, financial statement and elect office bearers and nine members to the committee.

The Bowls Associates also will hold an annual meeting on Sunday, May 17, commencing at 3 p.m. The agenda for ladies meeting includes presentation of the President's report, Secretary's report, financial statements and election of office bearers and committee.

SUNDAY EVENING DANCE

At the conclusion of the Bowls' meetings on Sunday, May 17, a meal will be provided commencing at 6 p.m. to be followed by dancing from 7 p.m. to 10 p.m. Tickets at \$1.00 each can be obtained from Stan Rowe or Bill Spence. Please obtain tickets not later than Thursday, May 14.

INDOOR BOWLS VISIT TO TIMBOON

This Saturday, May 9, about 80 indoor bowlers will visit Timboon. The party will include 26 from the north west area, with a large group from the club. Members using their own transport are assured of a game as this is a large new hall taking 24 mats and a total of 192 bowlers.

INDOOR PENNANT

The indoors bowls pennant season for 1970 commenced this week and will continue each Tuesday until August 4.

ASSOCIATES MAY MONTHLY MEETING

The Associates will meet on Monday, May 25, at 7.45 p.m. Guest speaker, Mrs. Whitehurst, will talk on art. The Associates committee meets on Monday, May 11 and the outdoor bowls committee on the same evening.

Walkathon

MOUNT St. Joseph School will hold a walkathon in Altona on June 14 to raise funds for the school building fund.

Miss Bernadette Penfold, the school's head prefect, told Altona council all check points and marshalling would be carried out by parents of school children.

ALTONA A.N.A.

GENERAL KNOWLEDGE COMPETITION

Preliminary heats of the general knowledge competition for schools, conducted annually by the metropolitan committee of the Australian Natives Association, were held on Wednesday, April 27.

This competition, open to students doing the fourth form course at secondary and technical schools in the metropolitan area, has attracted 85 schools this year. Valuable book prizes are awarded to the successful competitors.

The heats were held before a large audience in the spacious auditorium of Mt. St. Joseph's Girls' College by kind permission of Sister Romuald, Principal of Mt. St. Joseph's.

Teams each of 10 students from two schools, Mt. St. Joseph's and Altona North High School, took part. Each competitor was asked six general knowledge questions by the adjudicator, Mr. G. E. Morris, and the results were —

MT. ST. JOSEPH'S

1st, Sharon McCluskey with five correct; 2nd, Anna Lunardi.

ALTONA NORTH HIGH

1st, Patricia Walsh with five correct; 2nd, Roman Shaw.

Sharon McCluskey and Patricia Walsh will represent their schools at the zone semi-finals at Footscray later this month.

The grand final will be held at the Athenaeum Art Gallery, Melbourne, next month.

The president of the Altona branch of the ANA, Mr. C. J. McDonald, introduced Cr. Les Crofts, who in presenting the prizes congratulated the competitors on their high standard of general knowledge and also wished the winners every success in the finals.

Supper by courtesy of the local branch and the Sisters of Mt. St. Joseph's concluded a very pleasant evening.

QUARTERLY MEETING

The quarterly meeting of the branch will be held in the Homestead on Thursday, May 14, at 8 p.m.

Past chief president and present director Mr. George Abberton will be present as guest speaker and will be available to answer questions about the new Commonwealth Government medical benefits scheme. A large attendance is expected and the branch invites all members and their wives to be present.

Service Road

ALTONA council has agreed to a Country Roads Board request that it undertake the construction of a service road on the south side of Princes Highway near the Myer Bulk Store.

The CRB will pay for the work.

NO SITE FOR BOYS' BRIGADE

Altona Council will inform the West Altona Gospel Mission that it has no land available in the Den Dulk Reserve area suitable for a hall to be used by a company of the Boys' Brigade.

A deputation from the Mission told council it was confident it could obtain sufficient members and leaders to conduct a company, but needed an assembly hall for the group to meet.

It said the hall would be used for Sunday School, and if the facilities were suitable, would be used for any functions conducted by the Brigade.

The deputation stressed that it did not expect to be tied down to conditions if the council granted a lease of land to it. It was a responsible group in the community doing a youth work, and felt that if it required the hall for some form of service, it should not be prevented from doing so by the council.

Council was told the hall would be used every night of the week, and the Mission had \$3500 in hand to use towards its cost.

Engagement

BEALES—DEARIE

Mr. and Mrs. K. Beales of Bent Street, Altona announce with pleasure the engagement of their eldest daughter, Brenda Miriam, to Anthony John, eldest son of Mr. and Mrs. A. Dearie of First Avenue, Altona North on May 1.

YOUTH CLUB ACTIVITIES

Boys activities at the Youth Club in Civic Parade include —

JUNIOR GYM CLASSES

Monday, Wednesday and Friday 5 p.m. to 7 p.m. under the supervision of Max Baldwin;

WEIGHT LIFTING CLASSES

Monday and Wednesday 7 p.m. to 8 p.m. — supervisor is ex-club member Alf Cerone who recently returned from service with the 105th Field Battery, 1st Field Regiment, R.A.A., in Vietnam;

BOXING CLASSES

Monday and Friday 7 p.m. to 8.30 p.m. under the supervision of Bill Hodgson.

Altona Camera Club

The Camera Club's next meeting on Friday, May 8, will be a general photographic night.

The May competition is "Night Scene" and the recent cold, wet weather lends itself admirably to this subject. The entries are to be handed in on Friday, May 22.

The Altona Camera Club meets every Friday night of the month (except the first) in The Homestead, Queen Street, at 7.30 p.m. For further information ring Jim Merrills, the club's president at 398-1937.

Square Dance

Square dancing is just the thing these cold nights to make your toes tingle and the dancers can really enjoy themselves.

Fay, recently returned from holidays in New South Wales, and Fred Armitage, both celebrated birthdays. Congratulations and best wishes were extended to them both from all present.

The Altona square dance is held every Thursday night at the Youth Hall, Civic Parade. Dance to the calling of David Hooper from 8 to 11.15 p.m. Ring 398-2708 for further details.

"APPRENTICESHIP ON DISPLAY" DURING SCHOOL HOLIDAYS

"Apprenticeship on Display" is the theme of a Careers and Craftsmanship Exposition to be held in Melbourne during the May term school holidays. The Exposition will be open to the general public from May 11 to 18, excluding Saturday and Sunday.

Apprentices from many trades have contributed examples of their work which will be displayed on the 6th floor of the Victorian Automobile Chamber of Commerce new offices at 464 St. Kilda Road. Exhibits include intricate cutaway models of car engine components, attractive pieces of furniture, hand made electric tools and colourful designs painted on metal panels.

All exhibits have been entered for the Craftsmanship Award, the first prize in each section being a Bronze Medal.

Careers advisors from a number of trade associations and the Apprenticeship Commission of Victoria will be in attendance to answer queries relating to entry standards, terms of apprenticeship, wages, opportunities for advancement and post-apprenticeship courses, etc.

Films covering most of the popular apprenticeship trades will be screened. Two film sessions daily will be held—10 a.m. to 11.30 a.m. and 2 p.m. to 3.30 p.m. The careers advisors will be in attendance between screenings.

In announcing the Chamber's sponsorship of the Exposition, the executive vice-president of the VACC, Mr. Athol H. Kelly, said: "We are proud to be able to present to the people of Victoria this magnificent display of work completed by apprentices in all trades."

"Today's apprentices are tomorrow's tradesmen and if we are to develop as a community then we must ensure that we have an adequate supply of trained craftsmen in the years to come. Displays such as this point up the high standard of craftsmanship of apprentices."

Mr. Kelly said the Careers and Craftsmanship would act

as a "curtain raiser" to Apprenticeship Week which will be held between May 24 and 30.

Thanks Kids

Through the columns of local newspapers in the Western Suburbs and kind donors, many patients at the Footscray and District Hospital will be enjoying some very good reading.

Parcels of books, magazines and comics arrived at the office of Mr. Reg. Womersley, the Hospital Public Relations Officer after these newspapers ran a story about the need for reading matter for patients.

Youngsters and their parents responded splendidly. Some parcels did not leave their donor's name, but one of these did have a message written by a very young hand which explained—they were sent to Christopher and Pauline from Rockies Children via Nana in England!

White Flowers Wanted By Hospital

On Mothers Day, it has always been the practice at the Footscray and District Hospital to present white flowers to all mother patients.

These are placed on their Breakfast Trays on Mothers Day.

Special Guests for the day, "My Fair Lady" leading artists Rona Coleman and Robin Bailey with Ted Whitten, will present them to Midwifery Mother Patients and to the eldest mother in the hospital.

The Hospital would be very grateful if any home gardeners could donate some white flowers for this occasion. They may be left at the Enquiry Desk either Saturday evening May 9 or early Sunday morning May 10 addressed to the Matron.

Graduates Strengthen Association

To match the new College Buildings, the Graduates of the Melbourne Kindergarten Teachers' College have reorganised their Association.

"We are making an all-out drive to contact every Graduate of the College," Mrs. Elizabeth Ferris, the Association's President, said. "The first Graduates left the College before the First World War, and there have been over 1,300 girls who have received their Diplomas since the College opened."

"We want to contact everyone of these women," Mrs. Ferris continued.

The records of the Association list every graduate, but many of the women have changed their home addresses, and a very large number have married.

The College records only list married names when the graduate informs the Registrar of her new name, and very few of the teachers have told either the College or the Association Secretary, of any change of address.

Mrs. Ferris explained that the Association wanted to establish Regional Branches and Year Groups so that meetings could be held in convenient localities where graduates could meet, renew acquaintanceships and hear, informally, of the current trends in pre-school education.

"We are very proud of the Melbourne Kindergarten Teachers' College — which is one of the oldest in Australia — and of the very high standard it has always had," Mrs. Ferris said, "and we want all of the girls who have been students at Kew to feel the same pride in the College."

The Association now has its own office, at the College in Madden Grove, Kew, and intends to have a full-time Executive Officer to take over the work being done by voluntary helpers. "With the very detailed records now being built up, and our own 'home', we can extend a welcome to all graduates, particularly those in the country, and interstate, who care to call in on us," Mrs. Ferris said.

"An Association of all graduates can help the College, and help themselves in keeping up the wonderful record of the Melbourne Kindergarten Teachers' College. I would like to hear from any graduate, and she must always feel welcome to visit the College, and see the new buildings and meet old friends."

Westona Little Athletics

Westona Club held their Annual Meeting on Tuesday, April 28. At this meeting, which was very poorly attended the officers were elected for 1970-71.

They are as follows:
President: Mr. Paul Dodd.
Secretary: Mrs. E. Nevitt.
Treasurer: Mrs. C. Penfold.

Manager: Mr. G. Nevitt.
Assistant Manager: Mrs. B. Clark.
Committee: Mr. L. Wishart, Mr. M. Schnyder, Mr. K. O'Donohue, Mr. A. Ritchie, Mrs. M. Ritchie, Mrs. J. George.

Mr. Schnyder was again appointed Coach and Mr. and Mrs. Ritchie Club Delegates to the Altona Centre.

Cross-country training is on Monday nights at 5.30 p.m., starting from the Altona West Primary School.

Club cross-country championships will be held on the last Sunday of the months of May, June, July and August. The first is to be held at Cobbleclicks Ford on May 31 at 12 noon.

Tickets for the Progressive Dinner on May 30 are still available from the Secretary by phoning 398-1114. They are \$2 a single. The offer of one more home would be appreciated as due to circumstances one home offered is now not available.

\$1½ mil. Don Smallgoods Plant Opens

Federal Minister for the Interior, the Hon. Peter Nixon, will open officially the Don Smallgoods Co. Pty. Ltd. \$1½ million plant at Blackshaws Road, Altona North on Monday, May 11, at 2.30 p.m.

More than 500 guests including State Ministers, Federal Parliamentarians, and other dignitaries will attend the opening ceremony.

The 110,000 sq. ft. building and plant — one of Australia's largest smallgoods manufacturing facilities — incorporates the most modern equipment available, mainly from overseas.

Features of the building include its design which was undertaken by members of the company and their experience proved invaluable in assessing the needs of its building and plant layout.

Blood Donors Are Needed Urgently

Many more blood donors are needed urgently at Altona.

A Red Cross mobile blood bank will be at Altona Civic Hall next Monday, May 11, from 9.45 a.m. to 3.15 p.m.

Readers are urged to attend. You only need to be 18.

There's nothing to being a donor. It's just like a small injection but you don't feel a thing because they squirt a very mild anaesthetic on to your arm.

The donation takes only a few minutes and that's all there is to it.

You then have refreshments in the lounge, either a cup of tea or coffee or a soft drink and biscuits.

There are no after effects whatsoever to being a blood donor. Actually, many donors say they often feel better afterwards.

The little blood donated is easily spared by the body, and is made up in no time at all.

It's so easy and you are doing the greatest thing possible in life — saving life!

The donation either goes to one person or is divided up so that two or more patients can benefit from its life-saving qualities.

St. Leo's School Nearly Complete

ST. LEO'S Catholic Primary School at the corner of Mason St. and Fourth Ave., will be completed by August and will take its first pupils at the start of the 1971 school year, Cr P. J. Lynch told Altona council last week.

He said the school's six classrooms were built completely with voluntary labor. Men of the area had worked on the school each weekend for 18 months.

He added that the St. Leo's school would probably be the only Catholic school in Australia to be paid for when it opened.

ALL NURSES PASS

The Final State Examinations for General Nursing were held on March 4 and 5 this year, and as a result all trainees from the Footscray and District Hospital School of Nursing registered a pass.

Popularity of the Footscray & District Hospital School is reflected in the scattered address areas from which students come. Quite often interstate and overseas students do their training at Footscray.

The Hospital's Matron Miss Mavis Mitchell is very keen to interview young ladies interested in gaining a place in the Nursing profession and would welcome a call in person or by phone or letter to her. Phone 317-0211.

SPOTSWOOD FOOTBALL CLUB

A GRADE

Playing ICI Deer Park at home, Spotswood started well to kick 12 goals in the first quarter, but as the game progressed only kicked 8 goals for the rest of the game.

In the second half very wet conditions didn't suit a lot of the players who went right out of the game and ICI fought back well to score 10 goals.

Scores: Spotswood, 20-13-133; ICI Deer Park, 11-9-71.

Goals: McAssey 5, Biddick 3, Ham 3, Self 2, Elliott 2, Bristow 2, Browning, Petherick, A. McDonald.

Best: A. McDonald, M. McDonald, McAssey, Biddick, Ham, Zun, McGarity.

A RESERVE

Spotswood, with a patched-up side, played well against ICI in shocking conditions to win quite easily.

Scores: Spotswood, 13-11-89; ICI Deer Park, 3-8-26.

Best: Budgen, Cairns, Elliott, Evans, Lee, Thornhill.

Goals: Budgen 6, Heriot 3, Evans 2, Lee, Jones.

UNDER 18

Spotswood's teamwork and pace proved too much for St. Alban's taller and slow moving side enabling Spotty to record a runaway win.

Scores: Spotswood, 20-25-145; St. Alban's, 3-1-19.

Goals: Hughes 4, Mackey 4, Thomas 3, Tobin 3, McTaggart 2, M. Iaccarino 2, Page, Moore.

Best: Bunting, Harley, M. Iaccarino, Hughes, Moore, Reidy, Osowski, Thomas, Tobin.

UNDER 16

Playing Sunshine at Spotswood, both teams played an even first half in very windy conditions.

In the second half Spotswood showed their ability and strength to overpower their opponents for an excellent win.

Scores: Spotswood, 19-11-125; Sunshine, 9-8-62.

Goals: Scott 5, Harley 3, Collins 3, D. Rich 3, Bright 2, Cottee, Couch, Sheppard.

Best: Maltman, Harley, Collins, Scott, D. Smith, Rich, Kerr, Jackson.

UNDER 14

Out at Sunshine on Skinner Reserve, Spotswood, in very windy conditions, proved too strong for Sunshine to win the game easily. Many players were very active around goal.

Scores: Spotswood, 24-29-173; Sunshine, nil.

Goals: Prytherch 4, Powley 3, Nancarrow 3, Scott 3, Cameron 3, Langlands 3, Bone 2, Caldwell.

All players went well.

UNDER 12

The Under 12's had a bye this week. They now have 16 points without any percentage which must be a record.

WILLIAMSTOWN CLUB
The Young Bird Derby last Saturday was held from Wycheproof, 155 miles, under wet and windy conditions.

Not one pigeon managed to make home on the day.

Bernie Demme clocked in the winning bird next morning. This flyer also won the Young Bird Aggregate for the season which has just been completed.

Members will be busy getting their pigeons ready for the club's annual show early next month.

1st, Bernie Demme; 2nd, Martin Keyser; 3rd, A. & S. Carter. — GAY PIED.

Newport Methodists Football Club

Despite the very wet conditions, Newport Methodists proved too strong for Salvation Army to run out victors by 33 points after a hard fought match.

Scores: Newport Methodists, 11-19-85; Salvation Army, 7-10-52.

Goals: M. Grimmett 3, A. Self 3, K. Neville, K. Miller, W. Bridle, J. Becroft, K. Miller.

This week's match is against Yarraville Combine at Princes Park No. 4 oval.

Wet Day For Athletes

Competing in the V.A.A.A. 5,000 metres cross country run at Collingwood in wet and muddy conditions Terry Phelan showed great versatility to record fastest time (17.40) for the Seagulls.

Following Terry came Fred Howe (19.20), Ivan Davidson (20.06), Bernie Benjamin, Rob Brown and Peter Whinney.

Eero Keranen in his first cross country run did well to finish sixth in the Under 15 years race recording a time of 16.37. Stephen Cope, competing in the Under 19 championship, also performed very well.

The walking team of Ted Allsopp, Bernie Cloughton and Simon Hogan finished a creditable fifth in the Victorian 5 miles team championship.

Next Saturday a 4 mile road run will be conducted at the clubrooms at 2 p.m.

POLITICAL FREEDOM FOR TEACHERS

THE three main teacher organisations — the Victorian Secondary Teachers' Association, the Technical Teachers' Association of Victoria and the Victorian Teachers' Union — have all declared their intention to work for the defeat of the State Government.

In the case of the Victorian Secondary Teachers' Association, it is the first time that the Association has taken part in a political campaign. This shows that teachers are concerned about the general quality of State education in Victoria.

The Government schools system needs a vast infusion of money for it to be brought up to a reasonable standard.

Teachers are also concerned about their professional position and loss of freedom. In many instances, individual teachers have been suspended, transferred or caused loss and disadvantage due to involvement in political or educational controversies.

It is the policy of the ALP to encourage involvement by teachers in political and social issues.

It is not a matter of teachers having more freedom than any other citizen. It is a matter of teachers, as citizens, having no less freedom.

It is Labor policy to amend the Teachers' Service Act to grant teachers the same political freedoms as other citizens who are involved in political and social controversy.

The ALP has also fully recognised teaching as a profession. Labor thus underlines the right of teachers to determine standards of entry into their own profession.

It is ALP policy to establish a Board on which the Education Department is represented; also teachers from all divisions, and parents. Teacher representation on this Board will be no less than 60 per cent of its total composition.

Labor will also move to fill another need — the creation of a teacher housing authority. This authority will have the objective of providing adequate teacher housing, for rental and ownership by teachers primarily in country areas.

RON WALSH,
Endorsed ALP Candidate for Melb. West Province.

Loan To Carry 7 Per Cent. Interest

THE Federal Treasurer, Mr Leslie Bury, has announced the terms for a new Commonwealth Cash Loan with interest rates of up to 7 per cent. The loan will open on May 7.

Three securities will be offered, all with issue price par and with maturities ranging from 38 months to 19 years. These are as follows —
6.5 per cent — July 1973
6.8 per cent — August 1978
7.0 per cent — May 1989

The new interest rates were in line with yields established in the Bond Market over recent weeks, Mr Bury said. The previous Commonwealth Loan raised in February, offered yields ranging from 5.6 per cent for 17 months to 6 per cent for 35 years.

New Series "U" Special Bonds will also be offered and will be on sale from May 1. Series "U" Special Bonds will offer an approximate yield of 6.92 per cent to a subscriber who purchases them now and holds them for their full term of just less than eight years.

Series "U" Special Bonds will carry an interest rate of 6.4 per cent from the issue date until March 31, 1973, then 6.6 per cent until March 31, 1975, and then 7 per cent until final maturity.

From April 1, 1971, the new Bonds will be readily cashable at prices from par to 103 per cent subject to the holder giving one month's notice to a bank. This redemption value will be par from April 1, 1971 to March 31, 1973, then 101 until March 31, 1975, then 102 until March 31, 1978, and finally 103 on April 1, 1978. Prospectuses for the securities now on offer are being circulated to all banks and stock brokers.

THE CURTAIN RISES

BY THISBE

THE large and appreciative audiences that have been enjoying Ted Willis's "Woman in a Dressing Gown" have been very surprised to see so many new faces in the cast.

The group is also very pleased to see a number of interesting people happy in backstage work. These energetic workers are filling the places of people who are playing with other groups, are away on holidays or are suffering with some of the current illnesses.

At the moment we are having difficulty in remembering all the new names and connecting them with the correct face.

As they take part in other activities they will be readily accepted by people from other groups as members of the Williamstown Little Theatre.

If you have been to the shows and feel that you would like to help, why not come along to the casting for "The Duenna" on Tuesday, May 19, at 8 p.m.

The parents of children's Theatre members are reminded that the second term commences on Saturday, May 23.

Baptist Ladies Guild

On Saturday, May 9, at 9 a.m., the Baptist Ladies' Guild will hold a Street Stall in the Manse grounds, corner Blyth and Sargood Streets, Altona. On sale will be Mother's Day gifts, novelties and cakes and home made produce.

Baha'i Book For Library

THE Baha'i Communities of Victoria are celebrating the centennial period (1863-1973) of the Proclamation of Baha'u'llah to the peoples of the world of a new era of justice and peace, by presenting their local dignitaries with a book of the writings of Baha'u'llah to mark this occasion.

In 1863, at Adrianople, Baha'u'llah, which means the "Glory of God", founder of the Baha'i Faith, the latest and independent world religion with over 35,000 centres in all parts of the world, proclaimed His Mission in letters addressed to kings, ecclesiastics and rulers, summoning them to true faith in God, as trustees of the welfare of their people. He taught unity — Oneness of God, oneness of man, oneness of religion. Today, Baha'is are again proclaiming that eternal message.

A book "Baha'i World Faith" — selected writings of Baha'u'llah and Abdu'l-Baha (the eldest son, interpreter and exemplar of the Baha'i Teachings), has been presented to the Williamstown and Altona libraries and is now available to the public.

This book, a compilation of the original Baha'i Sacred Writings in one convenient volume discloses their universal range of themes and their direct application to modern life.

3rd Altona Scout Group

Warren Corby, Dale Schmidt, Geoffrey Cox, Gregory Patterson, Christopher Mounas and Kevin Hime who recently joined the Cub Pack have passed their tender pad and will be invested this Thursday. They are wished a happy journey through the jungle.

Peter Ellis and Christopher Lowden have earned their first stars.

A mothers' night will be held on Thursday, May 14, at 7 p.m. All mothers of cubs are cordially invited to attend.

Congratulations to the 3rd Altona Scouts and Cubs for winning the beach clean competition. The group received the shield when they attended the buffet tea provided by the Altona council on Tuesday, April 28. Well done, boys.

Williamstown Little Athletics Centre

Adults connected with the Centre are advised that a Social Evening will be held at the Central Hotel, Altona, on Friday, June 5, at 8 p.m.

The cost will be \$2 per head. Supporters wishing to attend are asked to notify Mr. John Wright, 391-3275, before next Sunday or notify the Club Manager.

This is the first social event of this nature organised by the Centre and it is hoped as many as possible will take the opportunity to meet members from other clubs with whom they work every Saturday but never have time to "get to know."

The next cross country event will be on Sunday, May 24, and the Annual General Meeting on Wednesday, May 27, at 8 p.m. It is important that the full Executive Council be appointed at this meeting and all adults interested are invited to attend.

The top of a track suit was found after the cross country meeting last Sunday. The owner may have it on applying to Mr. E. Steward (314-0094).

PERCENTAGE-BOOSTING WIN FOR ALTONA IN W.S.F.L.

By WARDEN JAMES

Altona City continued its percentage-boosting run of wins when it crushed RAAF Tottenham in the fourth round of Western Suburban football played last Saturday.

In defeating Tottenham by over 140 points, Altona surged to the top of the premiership ladder with four wins and a percentage of 529.09.

In fact each of Altona's scores this season have netted them over 115 points, with their lowest winning margin being 71 points in the first round against Central Altona.

Altona's nearest rivals are Newport and West Newport, who are also undefeated this season, but Altona's percentage is almost double that of Newport, which is in second place.

Altona, with rovers Ron Lawson and Austin Molloy running riot had little trouble in thrashing RAAF Tottenham.

Tottenham had no counter to Altona's big men and it looked as if it could be a complete debacle at half time when Altona led 11.18 to 1.1, but Tottenham came back in the third quarter and kept Altona to three goals.

Newport kept RAAF Point Cook scoreless in the second quarter and with good players in all positions all over the ground, had little trouble in running out easy winners.

Maidstone had a walk-over from Brooklyn, when Brooklyn failed to field a side, however that didn't stop Maidstone coach Wal Vecchieff from ordering extra practice in the rain and mud.

South Kingsville, which is now known as Williamstown United, proved too strong for Werribee who have yet to win a match.

Assistant coach D. Looker reports that South Kingsville will now be known as Williamstown United Football Club to suit the locality of its new ground, Digmon Reserve, Newport, which comes under the jurisdiction of the Williamstown council.

Werribee are struggling this year because of the loss of two of its best players. Last year's best and fairest winner Terry Edwards is now playing with Werribee's Association side, while last year's vice-captain and second best and fairest, Dennis Cooney is at present working in West Australia.

In Under 18, Altona's A side coasted to a landslide victory over Laverton, however Laverton officials were far from happy with the umpiring, particularly concerning one incident in the last quarter.

West Newport were five goals ahead at quarter time, but then "died" to allow Newport back in to the game, and only managed to scrape home by three points.

The other Under 18 match was not played because Central Altona failed to arrive.

In Under 16, Williamstown, with big ruckman Jim Hynes dominating, inflicted Altona's first defeat for just on three seasons.

Hynes, who is 6 ft. 3 in. and weighs nearly 14 stone,

was the outstanding player on the ground and the factor behind Williamstown's 5.5 to 1. burst in the last quarter which sealed the game.

South Melbourne talent scouts are believed to already have shown interest in Hynes.

In the other match Devon Park ran away from Newport after half time and with half forward Ken Mason, notching six goals, won by 67 points.

OPEN AGE

West Newport 8.14.62 d. Central Altona 7.3.45, Maidstone had a walkover from Brooklyn, Newport 13.14.92 d. RAAF Point Cook 4.4.28, Altona City 21.27.153 d. RAAF Tottenham 1.4.10, Williamstown United 9.10.64 d. Werribee 6.11.47, Laverton bye.

Outstanding players for Altona were R. Lawson, A. Molloy 4, R. Schwabe 3, D. York 1, G. Munro 4 and P. Reid 1. Other scorers were T. Hogan 4, P. Brennan 2, I. Harris and K. Flett.

Battlers for RAAF Tottenham were G. Hopwood, J. Lume, B. Coad, B. Carpenter and T. Amitt, while R. Lee scored the only goal.

Brilliant players for Newport were B. Muschialli, J. Bester 2, B. Johnston 1, C. Sanderson 2, and G. Mac-Namara 2. Other scorers were R. Kite 4, R. Taylor and R. Martin.

Stars for Williamstown United were B. Stewart 4, N. Surace, H. Kobayunski, R. Dumbleton 3, E. Kobayunski and I. Hamilton. Other scorers were A. Amiguet and G. McPherson.

Werribee's best were R. Reidy, B. Richards, Lyons 1, A. Kendall, A. Mac-

Namara and J. O'Brien. Other goals were scored by R. Arnott 2, R. Dowling, M. Ryan and G. Johnstone.

Stars for West Newport were G. Broadfoot 3, D. Browne-Kerr 1, M. Clancy, J. Langan and A. Chick, while others to score were Borthwick, D. Broughton, Walder and Parsons.

South Thirds Beaten By Richmond

SOUTH started well, continually pressuring Richmond, causing them to kick hastily and inaccurately.

South soon took control of the game with goals from Kurth, Robertson and Rae. South kept up the pressure and Richmond had difficulty in getting the ball to their forward line.

Subsequent goals by Pasquill and Rae saw South nine points up at half time.

In the third term Richmond came back strongly. South could only score three behinds, while Richmond, with strong play and accurate kicking, scored five goals.

South momentarily came back into the game in the last quarter, when Chalmers and Doherty goaled, but the Swans found the wet, slippery conditions too much to handle. Richmond sealed the game with an additional four goals, defeating South by 31 points.

SCORES: South Melbourne 7-11-53 lost to Richmond 12-12-84.

GOALS: Rae 2, Chalmers, Robertson, Kurth, Pasquill and Doherty.

BEST: Hocking, Doherty, Pasquill, Zakula, Chalmers and Grima.

WESTERN SUBURBS TABLE TENNIS

Williamstown, Robert Bodington and new team Maribyrnong were the winning A sides in the first round, when the Western Suburbs Table Tennis Winter Pennant hit off last week with an entry of 56 teams.

New faces in A Grade are Kevin Lambert (Liston), Dick Ross and Mike Burgess (Centre). Mike Dudziak (Williamstown), Des Jones, A. Walker and Frank Kovacs (Maribyrnong).

Williamstown started the season with a close win over Liston 6-5, best players being Taylor (Williamstown), Kelly (Liston).

Bodingtons downed Kingsville 8-3. Lorne won three for Bodingtons. Maribyrnong were too good for Centre (10-1).

Three new teams, F&T Carpets, Avondale Heights & Brooklyn, appeared in B1 and of these Brooklyn (Dyall, Hewitt, Watson) seemed most impressive with a 9-2 win over Westerners while Avondale Heights (Brookfield, Gribble, Scott) lost to Centre, 7-4.

Former B1 pennant winners F&T (Taaffe, Gregor, Scerri) were rusty after a 2 or 3 season's break and lost to Australian Glass 7-4 with AGM's Lance Evans winning three.

B2 Grade also featured new sides — Rheem, Goetz, Seaholme, F&T Carpets, B.F. Goodrich, B.A.D., plus last season's B2 placetakers B.R.M. and Reckitt & Colman.

B.R.M. defeated C2 premiers B.A.D., 8-3 (McIness and Richardson 3 each).

Seaholme pipped Goetz 6-5 (Theo Moltz 3 for Goetz, Marlow 2 for Seaholme).

Promising Rheem (Kinder, Stys, Czerniecki 2 each) defeated F&T Carpets 7-4, and Reckitt were too good for Goodrich 11-0.

In C1 Grade Reckitt, Snappers, Outlaws and Explosives were promoted from lower grades while Kingsville YMCA were dropped from B2 and veteran Grieve Highway are on the comeback trail.

Snappers, premiers D3, started the season in high gear with a 7-4 win over Oliver Davey. Outlaws scraped home from Explosives 6-5, winning on the last rubber.

Grieve Highway came from behind to snatch victory from Reckitt & Colman 6-5, and Kingsville received a bye after Avondale Heights were dropped to a lower grade.

New faces in D1 are Newport, P.O. (E2 summer), F.E.W. (D4 summer), Brooklyn Youth Club, Avondale Heights with two sides, McKenzie & Holland and Union Carbide (C2 summer).

F.E.W. (Ward, Featherston, Fowler) did well to down Union Carbide 8-3.

Newport Post Office (Freeburn, O'Brien, Fox) won from Brooklyn Youth 8-3, and B.R.M. (Thomas, P. Annear, R. Brunt, F. Brunt) defeated Avondale Heights (Scown and Lo) also 8-3.

El Grade (Tuesday) featured five new teams in St. Albans, St. Mary's A and B, Bertram's, St. Andrew's Footscray. Bertrams started the season with a surprisingly easy win over St. Mary's B, 11-0. St. Mary's A fared better with a 7-4 win over Triangle and Seaholme ladies' team (Marlene Harrison, Susan and Julie Jeffrey) held off St. Albans 6-5 while the other new team, St. Andrew's, received a walkover from Williamstown High.

Williamstown Youth and Newport Post Office D1 Grade teams were most impressive in Round 1 with wins over St. Mary's C 8-3 and AGM 9-2, respectively. Esso 1 and 2 had an even tussle right throughout the game but Esso 1 just managed to hold off Esso 2 for a 6-5 win (464 to 453).

For the first time Western Suburbs have started a novice or beginners pennant (E2) in which players without previous competition experience participate without fear of being humbled by older or more experienced opponents.

Most of the players in this grade (but not all) are aged between 13 and 17. However, age is no barrier here, and several youthful competitors have already shown great potential.

Of these new sides St. Monica's A downed Scots 7-4. St. Monica's B defeated a very young Williamstown 7-4, and Avondale Heights Blue were too good for Avondale Red 8-3.

Any players or teams still interested in competing in the Winter Pennant should contact Ray Blythman, 391-1205 (home), or 391-2211, ext. 125 (business), or Garden Street, Centre, 397-7681 after 7.30 p.m.

Colin Robson Wins 28 Mile Road Race

The 28 mile road cycling handicap conducted by the Williamstown Cycling Club last Saturday drew a reasonable field considering the shocking weather conditions.

Over three laps of a nine and a third mile circuit the event started and finished in Sneydes Road.

After an 18 mile chase John Pryor caught Colin Robson and combining together effectively these two held off the backmarkers and fought out the finish.

The last four miles proved a battle of move and counter move with Colin so strong over the final 30 yards to record a determined victory.

Third placing and fastest time was taken out by Leon ("De Lion") Constaninou off the scratch mark.

Riding off alone Leon rode the entire journey one out and finished full of running. Winston Hendricks had his first ride and rode quite well.

Results:
28 Mile Handicap — 1st, C. Robson, handicap 9 mins., 30 secs.; 2nd, J. Pryor, 6 mins.; fastest and 3rd, L. Constaninou, scratch (1 hr., 11 mins., 50 secs.).

Aggregate Progress: L. Constaninou 31, C. Robson 23, T. Robson 12, J. Pryor 10, G. Salter 2, I. Salter 2, T. Reynolds 2, M. Reynolds 1, W. Hendricks 1.

This coming Saturday the race will start in the same place at the corner of Sneydes and Aviation Roads.

Newport Ladies Bowling Club

Wednesday, April 22, was Presentation Day, but unfortunately it rained heavily all day.

However, despite the weather the ladies had an enjoyable day.

Trophies were presented to Phoebe Kiser, championship; Lois Spicer, runner-up.

Paine Cup, Pat Luke; runner-up Grace Vickers.

Carry On Pairs, P. Kiser-S. Rogash.

Club Pairs, M. Fitzpatrick-D. Rycroft; runners-up V. Clarke-E. Watson.

Aggregate, R. Whitford. Winners of Dutch Shoes (donated by N. Hoseman), A. Higham, V. Sinfield, G. Vickers, M. White.

V.L.B.A. Spoons, V. Clarke, N. Burrows, G. Wilmott, N. Johns.

Special Effort, A. Sutherland.

Carpet bowls start this Wednesday, May 6.

A mixed game was played on April 23 and was enjoyed by all. The winning rink comprised V. Hartnett (C.), R. Blythman, M. Fitzpatrick, A. Klemm. Runners-up: V. Clarke (C.), T. Parkinson, N. John, F. McFarlane.

Dot Haskell has transferred to Yarraville-Seddon Bowling Club. Dot has been president of Newport and on the committee for some years and has been a wonderful worker for the club.

Robin Croker Does Well In Cycling

Robin Croker of Altona rode fastest time in the first two juvenile races of the Footscray Amateur Cycling Club's road season which started on April 18.

But as both were handicapped events he did not gain a placing for the first win and was handicapped into third placing for the race on May 2.

On the same day another rider from Altona, Tom McEwan Jr., gained first placing in the 36 mile senior and junior Group Handicap.

Results of the races were: **First Road Meeting held on April 4, at Doherty's Road:**

SENIOR & JUNIOR HANDICAP, 20 MILES — 1st, G. Doig 5.30; 2nd, F. Showler, 5.30; 3rd, K. Showler, 8 min. 15 sec. Winners time 55.41; fastest time, P. Goldberg, 53.33.

JUVENILE HANDICAP, 8 MILES — 1st, P. Barnes, 1.50; 2nd, P. Provis, 2.50; 3rd, P. Gardner, 3.45 (Altona); Fastest time, R. Croker (Altona), 20.25.

Second Road Race held at Werribee on May 2:

36 MILE SENIOR & JUNIOR GROUP HANDICAP — 1st, T. McEwan Jr. (Altona), A Group; 2nd, N. Provis, A. Group; 3rd, P. Goldberg, A. Group; Tom McEwan got first and fastest time.

12 MILE JUVENILE GROUP HANDICAP — 1st, C. Lloyd, B. Group; 2nd, G. Kewish, B. Group; 3rd, R. Croker, A. Group (Altona). Robin Croker got 3rd and fastest time, 31.24. Winner's time 33.53.

J. Newbury defeated B. Cox, 9-5, 9-6, 9-2.

G. Roach lost to P. Rodger, 3-9, 5-9, 1-9.

H. Wurster defeated J. Robb, 9-6, 5-9, 9-7, 8-10, 9-5.

A Reserve men were unlucky not to win their very close game as three of the four games went to five sets.

Bill McLaren, playing his first game for B Grade, is lacking match practice but will be an asset to the side in future games.

A. Ray, in B Reserve, started slowly but came home in fine style to win in four.

As the C Reserves sides played each other interest was high throughout the night.

John Newbury caused an upset by winning 3-0.

The game between Hans Wurster and John Robb was somewhat of a grudge match and an exciting five game match, with no holds barred, followed.

Altona Pres., 11-10-76, d. Holy Trinity, 14-10.
Goal: M. Lomas.
Best: L. Ishee, G. Dean, N. Watt, C. Sahhar, M. Lomas.

UNDER 12
Altona Pres., nil, lost to Holy Trinity, 8-6-54.
Goals: A. McLellan 3, G. Knight 3, G. Matty, S. Smith.
Best: A. Gibson, G. Knight, M. McGuigan, A. McLellan, B. Gerring, D. Vickers.

The club would like to thank Mr. Larry Johnson, teacher at North Primary School, for the interest he shows in the Under 12 team.

"IPA FACTS"

Interesting questions and answers reprinted from the last issue of "IPA Facts" are:

Q: what does the world spend on armaments?

A: Over \$160,000 million a year or \$50 for every man, woman and child.

Q: In Australia about 900,000 married women go to work. How many have young children?

A: About 400,000. 200 thousand mothers have children under 6 and another 100,000 have children aged 6 to 11. 100,000 mothers have children in both groups.

Q: Is it true that 12 million Australians buy more motor cars a year than 200 million people in the Soviet Union?

A: Yes. Nearly 400,000 cars a year are sold in Australia, compared with only 300,000 in Russia.

Q: How many overseas visitors came here last year?

A: 400,000, including 100,000 American servicemen. The number of overseas visitors could easily grow to 600,000 by 1975.

Q: Which is the largest manufactured item exported by the under-developed countries?

A: Textiles. This comprises over one-third of their total manufactured exports.

Q: Are seat belts worthwhile?

A: Yes! Swedish doctors and engineers who investigated over 28,000 road accidents (involving 37,000 people) found that no one who wore a seat belt was fatally injured at speeds below 60 m.p.h. Unbelted passengers sustained fatal injuries throughout the whole speed scale.

GAMBLING

Reprint from IPA Facts
Australians have a reputation of being heavy gamblers. "Two-up" was invented by the early convicts. Witness also the recent tremendous investment in highly speculative mining shares in the hope of quick gains.

Australians invest an astronomical \$1,500 million in a year — or 6 per cent of their incomes — with the TAB, lotteries and licensed bookmakers.

Bookmaking is big business with a \$700 to \$800 million annual turnover. It will surprise many to know that this is about the same turnover as that of the great wool industry.

Then there are the TAB agencies with annual ticket sales of about \$600 million. Since March, 1961, the Victorian TAB has sold about 800 million tickets costing

\$1000million to over 200 million customers. Their winnings amounted to \$850 million. The TAB has paid \$40 million to Victorian hospitals and other charities.

The State lotteries sell \$100 million worth of tickets a year. Prizes take nearly 60 per cent and the State Government about 25 per cent in taxes.

The above does not comprise by any means all the money gambled. Tremendous sums are fed into the "one-arm bandits" which decorate the walls of many N. S. W. clubs.

As a people Australians certainly do not seem to mind taking a risk with their hard-earned savings. One doesn't have to be a moralist to suggest that the sums involved seem rather excessive. Is heavy taxation of incomes one of the causes of the "gambling fever"?

ALTONA HOCKEY TEAM WINS AGAIN

Altona Hockey Club's A Grade team continued their remarkable debut into top grade hockey when they defeated MHSOB 1-0 at home.

Three wins and a draw from four matches and second position on the premier-ship ladder has exceeded even the wildest hopes of the club.

Although Saturday's game was tense and exciting the standard of play was affected by the continuous rain all afternoon.

MHSOB demonstrated how they had achieved the second lowest "goals against" figure in the competition with practically the whole team acting in a defensive capacity for most of the game.

This sort of tactic does not win games and it was evident that the Old Boys would have been happy with a no score draw.

When Altona finally broke through with a spectacular shot by Shane Cronin the game really came alive as MHSOB tried desperately to get the equaliser.

MHSOB had a number of shots but always under pressure. For Altona Bruce Forrester just cleared the net and Ross Ford put one in but it was ruled against for "sticks."

It was a hard, dedicated game by Altona and a well-deserved win.

Best: G. Bowden, D. Bartlett, R. Verity, R. Lukoczky.

C North defeated Strathmore, 5-3.

Altona scored a good win over Strathmore in adverse weather. One goal each was scored by I. Bennett, A. Chalis and E. McCauley.

Combining speed and accuracy G. Blunt put away two good goals from penalty flicks to boost the score.

A. Willett is doing a good job in goals with some excellent saves over the last few games.

Best: R. Byrne, G. Blunt, H. Doerner.

D North drew with O.E.G., nil all.

In pouring rain both teams tried hard but the evenness of the teams proved frustrating and neither side could break clear.

Altona had bad luck when a shot by Peter Byrne was at first ruled a goal. However, the opposition traced out the scoring circle and were able to convince the umpire that the shot had been taken from outside.

Best: J. McDonald, P. Byrne.

E North defeated Latrobe University, 9-1.

Altona, playing more direct hockey, ran out easy winners but appeared to ease up after half-time. The penalty corner combination is working well with the striker, Norm Hunter, scoring four goals.

With the half-time open discussions this team is being geared to play top side Glenroy in a fortnight which should be a cracker game.

Goals: N. Hunter, 4, B. Duncan, 3, C. Mann, M. Schnyder.

Best: C. Mann, B. Duncan, N. Hunter.

Under 16 were defeated by Power House, 3-1.

Altona were soon in trouble with Power House capitalising on simple defence errors.

Half-time saw Power House with a 3-nil lead.

With nothing to lose vice-captain Alan Willett took off the goalie's pads to play as a third back and with fine defensive clearing hits he demonstrated the style of play required to keep the forwards upfield in attack.

Altona were clearly on top in the second half and a goal by J. Forrester made the score a little more respectable at the final whistle.

Under 14 drew with Toorak, 2-2.

Toorak came to Altona with the formidable record of having scored 43 goals in two matches.

Altona started poorly and for most of the final half Toorak did all the attacking. It was only good play by

McCauley and Neyland who kept Toorak at bay until two good penalty corners gave them a 2-0 lead at half-time.

It was a different Altona team that came out after the interval. S. Smith scored with a backstick flick and late in the game G. Brown scored to force a draw.

Best: R. McCauley, B. Neyland.

Under 12 defeated Essendon, 4-3.

Following an even first half when both teams scored two goals, Altona got on top with Greg Smith playing well in goals and the forward line combining well and trying hard.

Two more goals to Altona and one to Essendon saw Altona run out winners.

Best: G. Smith, P. Fry, D. Whiffin.

CLUB NOTES

There will be a General Meeting this Thursday (May 7) at 8 p.m. in the club-rooms. Selection Committee will meet at 7 p.m.

A paper and bottle drive will be held on Sunday, May 17, at 10 a.m. from Jim Studley's, corner Queen Street and Millers Road.

Trots Night: Tickets must be paid by May 23.

ALTONA THE MASTERS OF RINGWOOD IN SOCCER

Ringwood United had the bad luck to meet Altona City on a wet day in the third round of the Dockerty Cup tie at Ringwood, Altona being at home in the muddy conditions to win 5-1.

From the kick-off Ringwood attacked but the Altona defence with Copley, Ormerod and Karanatos in grand form combined with the uncanny judgment of Hynes and Roberts to form impenetrable barrier.

The Maroon forwards showed how it should be done. Vanyper, Herman and Kean split the defence wide open. Savage flashed in and tucked the ball sweetly into the back of the net for a great goal.

Once again Altona showed their killer instinct as Savage and Herman worked their way down the right. Savage hit the bar and Ray King fastened onto the rebound and crashed home goal No. 2. Ringwood were far from out of this game as Ian Robert had to dive full length to push a header over the bar.

Ackers was a great work horse up and down the field as he kept Altona going. Altona had their third goal in the net before Ringwood knew what was going on.

Roberts made a save, kicked the ball downfield and Savage with an electrifying burst of speed shook off two tackles and slammed home a real opportunist goal.

Ringwood threw everything they had at the Altona defence but Ian Hynes has the City defence well drilled in backing each other up and with a little bit of luck as well they were good to watch.

Savage and King raced into attack. Vanyper square passed to Herman and Altona's fourth goal was registered.

A four goal lead at half-time was a good effort.

The second half was a real test of stamina. Copley and Ormerod were in great form. The Marrons only attacked in lightning raids as King, Savage and Herman kept the United defence at full stretch.

Chris Karanatos was a tower of strength in defence for Altona and it was probably fitting that Ringwood should score a consolation goal as they had tried so hard. However, just in case

ALTONA LACROSSE CLUB

JUNIORS

Altona, 13, defeated Salmonbees, 6.

Best: Peter Little.

Goals: Peter Little 7, Nigel McGuckian 3, Graeme O'Connor 2, Russel Walls.

The junior side now consists of 10 players and with another few games like Saturday they will have no difficulty in being one of the top sides in the local competition.

After being defeated in their first two games Altona came back last Saturday with a very convincing win.

Altona, 3, lost to Williams-town Fearon, 13.

Votes: R. Dickens 3, R. Groves 2, J. Butkiewicz 1.

Goals: F. De Kusal 2, J. Butkiewicz.

Due to the bad conditions both teams were unable to pick the ball up cleanly off the ground.

With neither side being a very good wet weather team the passes were very poor.

JUNIORS

All junior teams won their first round Cup ties last week and will go into the second round to be played the first week in June.

UNDER 11

Altona played Our Lady's Sunshine and had a fairly easy win 9-0 in very wet conditions. It rained from start to finish and the players tried all they knew to play good soccer with plenty of support from spectators.

Goals were scored by D. Remy 5, R. Spinner 3 and Zavattiero.

UNDER 13

Altona were back to their best for the game against Triestina and won 11-0 in very wet conditions.

It was good to see the team playing so well after a couple of bad games. Anile and Friends, back into the team, made a lot of difference and gave them more power in the forward line.

Best players were Anile, Vanderpool and Ott, but it was a very good team effort.

UNDER 14

Playing away to Broadmeadows, Altona were off to a good start with 5 goals in the first 12 minutes and this knocked the heart out of Broadmeadows who never were allowed to come into the game and by half-time it was 9 goals to nil.

Dredging Tender Let

A tender has been let for the dredging of the approach channel to the Cresser Reserve boat ramp at Seaholme.

Successful tenderer was Duncan & Russell Pty. Ltd. with a cost of \$15,025 advises the Hon. A. W. Knight, Member for Melbourne West.

POLLUTION CONTROL

THE management of a newly registered factory in Pin-nacle Rd., Altona North, will be invited to attend Altona council's Pollution Control committee.

Council last week received notification that the factory, owned by H.P. Products Pty. Ltd. and Pacific Glucose (Aust.) Pty. Ltd., would begin glucose and starch manufacture.

The companies will be asked to plant trees around the perimeter of their premises.

Caterpillars A Problem

CR. W. H. SOMMERS has asked the city curator to investigate ways of controlling an infestation of emperor gum caterpillars on trees in Mari-gold Avenue.

He said leaves were being stripped from the trees and the caterpillars were invading some gardens.

"It should be treated as urgent", he said.

Council To Acquire Land

FOLLOWING discussions with the Altona Chamber of Commerce, Altona council last week decided to buy 12, 14 and 16 Pier Street for the sum of \$18,750.

Half the money will be met out of a separate rate, and the remainder will be referred to the 1970-71 estimates.

Request To S.E.C.

ALTONA council will ask the State Electricity Commission to take immediate steps to remove the pulveriser from the Paisley briquette depot.

Council will also inform the SEC and the Minister of Fuel and Power that it is "disappointed" at the contents of the Minister's official reply to complaints about the depot.

The Minister said the depot would be removed in "about two years".

Nominated

CR. D. K. GRANT has been nominated by Altona council for election as the North Yarra group of municipalities representative on the Metropolitan Fire Brigades Board.

All other municipalities in the group will be asked to support Cr. Grant's nomination.

Moratorium

A car cavalcade of supporters of the moratorium campaign will leave Altona from Queen Street, outside Altona City Library on Saturday morning at 9 a.m.

There will be a street meeting and a march through Footscray at 10.30 a.m.

Dr. J. Cairns, M.H.R. has been asked to address the meeting and other speakers include Rev. G. Martin of Newport Church of England.

Hamill was having a great game and was yards too fast for the opposition defence.

For Altona, Gramsbergen and Reilly with Saxton stopped all that was thrown against them.

In the second half the game was a little more even with Altona playing the better soccer. At the end Altona had scored 13 goals to nil.

Best: Hamill, Reilly and Gramsbergen.

Goals: Hamill 5, Downes 3, Roberts, Toney, Burgess.

This Week's Matches

Under 11: Altona v. Our Lady's Sunshine, away.

Under 13: Altona v. West Newport, away.

Under 14: Altona v. Albion Rovers, away.

Bowling Club Presentation Night

Altona Bowling Club President, Mr. E. A. Roach, and committee organised the 9th Annual Presentation Night with a Dinner Dance last Saturday at the Refinery cafeteria.

Among the distinguished guests present were RVBA Councillor Mr. Ted Turner and Mrs. Turner, VIBA President Mrs. Alma Mann and Mr. Harry Mann, and the Mayor and Mayoress of Altona, Cr. and Mrs. Pat Burns.

Trophies were presented to: Club Champion: Len O'Donnell. Runner-up, Jack Fisher. President's Trophy, Frank Nielsen. Runner-up: Sid Carlton.

Consistency Trophy: Laurie Cox. Runner-up: Jim Stephens.

Pairs: Clyde Williams-Bob Don. Runners-up: Lindsay Craig-Don Watters.

Peg and Don Cunningham Perpetual Trophy: Glad and Duncan Mackellar, who have transferred to Heathmont Bowling Club.

LADIES

Club: Vera Sevier. Runner-up: Esme Martin.

Consistency: Ruby Fisher.

Runner-up: Jan Douglas.

Club Pairs: Glad Mackellar-Pat Gischus. Runners-up: Phyl Stephens-Edna Beyer.

On behalf of the Associates' President, Phyl Stephens presented to President Eric another cheque, this time to the value of \$800.

Bon Deacon of the social club also handed a cheque to President Eric for \$359.

Mr. Jim Flynn was M.C. for the dancing.

President Eric asked all who attended to join him in one minute of silence, referring with regret to the passing away of an associate member well-known to all, Mrs. Nora McIntyre, a foundation member of the Altona Ladies' Bowling Club. A lady endeared by all who knew her happy disposition and personality which was infectious.

REMINDERS

A social afternoon will be held on Tuesday, May 12, at 1 p.m. at Irene O'Donnell's home, 29 Central Avenue, Seaholme.

A competition for the best apron to be donated to the club will be judged on Thursday, May 28, by three committee ladies who will award a prize. The aprons will be used later for fund-raising.

The pennant list for season 1970-71 is now on the board. All ladies wishing to play pennant are requested to place their own name on the list.

Indoor bowls aggregate commences May 14 and finishes on August 13.

Every third Tuesday of each month will be an inter-club day commencing at 11 a.m. (50c).

Dates listed are: May 19, June 16, July 21, August 18.

Nuisance

ALTONA'S health inspector told council he was investigating a number of complaints about noise coming from a factory in Altona North.
